WELCOME TO THE KENTUCKY AUTOMATIC MERCHANDISING ASSOCIATION WEB SITE

Our organization represents our vending industry for the state of Kentucky. Our Board of Governors is constantly working to help better our industry along with building our membership.

Our association has recently joined forces with the Kentucky Retail Federation to help promote our vending industry and, more importantly, give us a voice with our Kentucky State Legislature to help them understand the problems and challenges our industry faces everyday.

We urge you to become a member and strengthen our association. Our board meets quarterly and we hold an annual meeting each summer so our members and their families can enjoy a weekend of networking and meeting new friends. This year's annual meeting will be held at Dale Hollow State Park in Burkesville, Kentucky on June 24, 25 & 26.

Please feel free to contact any board member or myself about our association. Our board members are:
